Reuben Riffel Golf Day in aid of Franschhoek Hospice

Enthusiastic golfers played in almost perfect weather conditions at Pearl Valley Val de Vie Golf Estate on 16 September. Looking at the photos one does though if any golf was played!

There were seven waterholes on the course where refreshments and snacks were served. These were provided by our very generous sponsors: The Deli, Courtleigh, Mont Rochelle, Lutzville Vineyards, Peninsula Beverages, Marlene, Matrix, Two in a Bush, Hospice pork ribs and entertainment by Peter Music Man.

At the end of the 18 holes players enjoyed an evening of 'gambling' in the conference room, which had been decked out in a Las Vegas theme by Vision Decor, followed by the prize giving, supper, entertainment by CODA Africa and fabulous wines which flowed throughout the evening. The latter were kindly donated by Holden Manz and served by Gavin.
