

FOUNDER'S NOTE

.....

As we are on the brink of ending the first quarter of the new year, it's time to catch up with what's new and happening as we strive to recover from this grueling time of uncertainty. From our cover story boasting the presence of Nhlanhla Sibisi in which he elaborates on Tosac's inclusion of YouTube to its aggregation to WWISE elaborating on its efforts to improve TVET colleges in South Africa. We have Bidvest International Logistics sharing the details about their very own talent supply chain and Skyworth informing us about the latest and greatest technology in the television business. If upgrading your home with the latest smart technology has been on your to do list this coming year then our feature on the Top 5 home automation trends for 2022 is for you.

Unwrap Media informs us about the latest scoop on 3D holographic technology and how it can be used to improve sales and branding. Our travel feature boasts the presence of Sun International wild coast sun's General Manager, Peter Tshidi in which he tells us more about Sun International's one and only beachfront resort and Sisa Ntshona telling us more about Dream Hotels and resorts. Our Travel feature also includes Managing Director, Paul Duverge elaborating on the Cape Summer Villas Boutique Collection Name Change and Rebrand.

Gaven Sinclair provides us with the details of his extreme endurance adventures and we learn about Charan Moore's exhilarating experiences in Dakar Rally. For many of us the new year has initiated a fresh start. Be it in the aspects of our career or in our personal capacity. The pandemic has enforced many challenges on each and everyone of us and might have forced us to temporarily steer away from our goals. So as we strive and aim to somehow finally regain some form of normality let us remain focused and motivated to face any challenge head on and fearlessly set about greater aspects and opportunities.
