

Repair Programme Open Day

■ **Taking Care of Business (TCB), a non-profit social enterprise, is hosting the Repair Programme Open Day on Monday January 22 at 33 Thor Circle in Thornton. Through the Repair Programme, unemployed people can learn to repair household appliances along with the trading and business skills needed to sell the appliances and build a business. Visit www.tcb.org.za for more information and to apply. Pictured is Songezo Mtunzi.**
