

reports at various locations from motorists whose vehicles were stolen at a car wash. "This specific criminal activity usually occurs between 09:00 and 17:00," said Xulu. "It has happened more than once at different wash sites and there are no specific car models targeted. If you are situated around Morningside and Sandown, be vigilant."

Vehicle thefts at car washes on the rise

According to King Price Insurance, vehicle theft from car washes is a growing trend – a claim substantiated by the Sandton SAPS (South African Police Service). Sandton police station captain Bheki Xulu told the Sandton Chronicle that in September, the station received multiple
